Personal & Executive Health Screening

At 3fivetwo, we recognise that nothing is more important than your health & wellbeing.

With this in mind, we have developed a range of health screening packages for those who wish to take a more proactive approach to their health. It is proven that early identification and management of risk factors reduces the likelihood of developing serious life threatening diseases.

Our packages are Bronze, Silver, Gold & Platinum and include:

- Consultation with Clinician
- Discussion of results
- Counselling on appropriate preventative health & lifestyle modifications
- Case management of health issues identified

- Option of in-house investigation & management of health issues identified
- Confidential & personalised report within 4 days of health screening
- Telephone enquiry service for clarification of results
