

Private Medicine & Surgery:

PRIVATE GP SERVICE

3fivetwoTM
HEALTHCARE

Private GP Service

At 3fivetwo, we are able to meet your independent health care needs in a professional and relaxed environment. We offer consultations on a convenient and readily accessible basis, with same day appointments usually available.

Our dedicated and highly qualified team of General Practitioners has many years of experience in both private general practice and the NHS.

We offer a broad range of medical and treatment room services including:

- Doctor consultation
- Travel vaccination services
- Full range of blood tests and scans
- Corporate and occupational health
- ECG and blood pressure checks
- Mole assessments
- Sexual health

- Health & well being screening packages
- Employment and insurance medicals

You will benefit from on site and rapid access to imaging and physiotherapy services, cardiac and diagnostic investigations, direct Specialist Consultant referrals and private pharmacy services.

For further information or to arrange an appointment, call our Dedicated Private Patient Line:
