

Health Screening:

SEXUAL HEALTH SCREENING

3fivetwo™
HEALTHCARE

If you have concerns about your sexual health or just want peace of mind, 3fivetwo Healthcare are here to provide accessible care in discreet and elegant surroundings with prompt result delivery.

Appointments can be made at short notice for the diagnosis and treatment of sexually transmitted infections (STIs), contraception guidance and safe sex advice.

This confidential service is offered in a private setting for both male and female clients. Consultation, testing and treatment are all tailored to meet your individual needs.

Services include testing for:

- Sexually transmitted infections (STI's) such as syphilis, gonorrhoea, genital warts, and chlamydia
- HIV
- Cystitis (bladder infection)
- Other infections of the genitals, such as thrush

Other services include:

- Cervical smear tests
- Immunisation for Hepatitis B and HPV vaccine

For further information or to arrange an appointment, call our Dedicated Private Patient Line:
